FISCAL CONTROLS POLICY

Purpose

The Board believes in implementing and following fiscal management practices to ensure that the School's funds are appropriately managed in order to support the School's mission and avoid any liability that could be attributed to the Board resulting from mismanagement.

Policy

School funds will be budgeted, accounted for, expended, and maintained in an appropriate fashion and in accordance with Federal and State requirements. The following procedures have been established to facilitate this.

Procedure

A. Budgets

Working with Connections Academy of Louisiana, LLC¹, its educational services provider, the School's Treasurer will coordinate the preparation of an annual operating budget with estimated revenue and expenditures in the spring prior to May 1 for the following fiscal year, defined as the twelve-month period ending June 30, unless otherwise required by law or other contract. The Board shall plan to review and approve the budget prior to May 1 of each year. Connections Academy of Louisiana, LLC will prepare a fiscal year forecast based upon updated assumptions before the opening of the new School year. Approved annual operating budgets will be submitted to the all appropriate entities required by law in the format required by statute and/or regulation and by required deadlines.

Approved budgets will be used to monitor the financial activities of the year via the monthly financial reports. In addition, Connections Academy of Louisiana, LLC, as necessary, will prepare cash flow analysis, and budget projections, and budget revisions, for upcoming fiscal years for review.

¹ Connections Academy of Louisiana LLC is the current educational services provider. This

function would be carried out by the new provider upon a change in the provider

B. Controls, Budget, and Fiscal

The School will maintain the following principles in its ongoing fiscal management practices to ensure that, (1) expenditures are authorized by and in accordance with amounts specified in the board-adopted budget, (2) the School's funds are managed and held in a manner that provides a high degree of protection of the School's assets, and (3) all transactions are recorded and documented in an appropriate manner:

1. Segregation of Duties

The School will develop and maintain simple check request and purchase order forms to document the authorization of non-payroll expenditures. These expenditures will primarily be those expenditures not covered under the monthly invoice from Connections Academy of Louisiana, LLC. All proposed expenditures must be approved by the Principal, who will review to determine whether it is consistent with the Board-adopted budget, and sign the check request form. All check requests and purchase orders over Two Thousand (\$2,000) Dollars must be co-signed by the Principal and a School Board member who has been approved as a signatory on the School's checking account. Payments for invoices for operational services contracted by the School, and previously approved by the Board, including those for services provided by Connections Academy of Louisiana, LLC, do not need to be countersigned.

All transactions will be posted on an electronic general ledger by a bookkeeper. This ledger will be maintained either with a local contracted bookkeeper, or with Connections Academy of Louisiana, LLC. To ensure segregation of recording and authorization, the bookkeeper may not co-sign check requests or purchase orders.

2. Banking Arrangements/Reconciliation

The School will maintain its accounts at a federally insured commercial bank or credit union in the State of operation as approved by the Board in compliance with the respective state law. Funds will be deposited in non-speculative accounts including federally insured savings or checking accounts or invested in non-speculative federally backed instruments. For all funds, the Board must appoint and approve all individuals authorized to sign checks in accordance with these policies.

Bank statements from private banking institutions will be sent directly to the School's bookkeeper for reconciliation. A report of the reconciliation will be provided to the Board Treasurer on a monthly basis.

3. Purchasing Procedures

This section applies to purchases made by the School, and does not apply to purchases made by Connections Academy of Louisiana, LLC pursuant to the Professional Services Agreement with the School. All purchases over Five Thousand (\$5,000) Dollars must include documentation of a good faith effort to secure the lowest possible cost for comparable goods

or services. The Principal shall not approve purchase orders or check requests lacking such documentation and must comply with the School's Procurement Policy. Documentation shall be attached to all check and purchase order requests showing that at least two (2) vendors were contacted and such documentation shall be maintained for three (3) years. If specialty goods are not available through multiple vendors, documentation may include this information in lieu of a cost comparison.

No public funds shall be expended for the purchase of alcoholic beverages.

The Principal or designee may purchase supplies, materials, equipment, and services up to the amounts specified in the approved budget or per an approved Board action, while ensuring the above procedures are followed
